HAPPY NEW YEAR!

The Church is getting quite the makeover in the new year! The staff and students have enjoyed the first hand look at the progress. The painting before Christmas helped prepare the space for the pew project to begin after the new year. This week, lots of helping hands removed the pews and then the old flooring was removed. The new tile is in place now and we are excitedly waiting for the pews to arrive! This place will look amazing for our school open house on January 26th!

Please look for our open house advertisements on Facebook and Instagram and then like and share the posts with all your friends near and far! Help us spread the word about all the good things MQH has to offer. We will advertise in other ways around the area, but word of mouth is by far the very best method of advertising we have!

TUITION ANNOUNCEMENT (in case you missed this announcement on Monday)

By the grace of God, and the generosity of our amazing parishioners, our **school tuition and fees will not increase** this year. This will mark the fourth year in a row that our school has maintained the same rate of tuition. This is unheard of throughout our diocesan schools!

HOW YOU CAN HELP:

Keeping tuition the same is a great gift for our families. Fr. Kevin and I would like to ask each of you to help our school and Parish by **promoting our open house and using the powerful “word of mouth” technique** to bring more families to Mary, Queen of Heaven School.

- Would you place a testimony on your social media to help promote what you love about our school?
- Can you take a brief second to share our promotional posts in the coming weeks when you see them on Facebook and Instagram?

-
- Perhaps you could invite 1-2 of your family or friends with school aged children to visit our open house?

The power of positive words brought us 19 new families in this current school year! Those families equated to 29 new students in our classrooms! Please do your part to spread the good news about our amazing community and help our school continue to grow.

Each and every one of your families are a great blessing to MQH! We could not do the good work we are doing without you and the gift of your children.
