

## 3rd Grade Summer Reading

Welcome to 3rd grade! Attached is your first homework assignment...summer reading! You will choose **one** book to read and complete a book report about it. Two book reports are provided but you only need to complete and return one. If the book you read is fiction, fill out the Fiction Book Report, and if the book you read is non-fiction, fill out the Non-Fiction Book Report.

A list of suggested books is below, but if you find it difficult to locate books from this list please substitute another book of your choosing. I just ask that you choose a book that is challenging enough for a beginning third grader. If you have questions or need help locating a book, please feel free to email me at e.betz@mqhschool.com. Summer reading should be enjoyable! With that said, in the event you find a book you selected doesn't hold your interest, put it down and try another one.

Of course, don't stop reading once you read the book for your report! Summer is the perfect time to read for fun, and I look forward to hearing about all the summer fun you've had (including the books that you've read!) when we start our year together!

Your directions, book report forms, and rubric are attached. You do not need to return the rubric. I'm just providing it for you to look at so that you know how you will be graded. Don't forget to bring your report to school on the first day. I look forward to having you in my class!

2. Draw a picture of a memorable scene from the story in the 'Picture' box. Please color your picture.
3. Write about the main character in the 'Describe the Main Character' box. You should write a complete sentence.
4. In the 'Summary' box, briefly describe the plot of the book. You should write in complete sentences. You may want to write a sentence about the beginning, a sentence about the middle, and a sentence about the end to help you keep your details in order.
5. In the 'Setting' box, please write when and where the story takes place. You do not have to write this in a sentence since there is not much space.
