

Welcome to 6th Grade! We hope that you are enjoying your summer break, and also learning new things. Here is the information that you need to complete your summer assignments. These are mandatory assignments and will be your first grades in Reading and Science this year.

Reading: There is a wide variety of books to choose from. Please select one fiction book from the list below. When you have finished reading the book, complete the assignment on the printed paper.

Summer reading should be enjoyable. So, if you do not like the first book you choose, stop reading and try another one on the list. If you love to read, you may read more than one book on the list!

We are sure that you will enjoy being in Junior High this year. Have a great summer, and we look forward to seeing you in August!

Information about your math summer assignment will be coming via email at the beginning of July!
