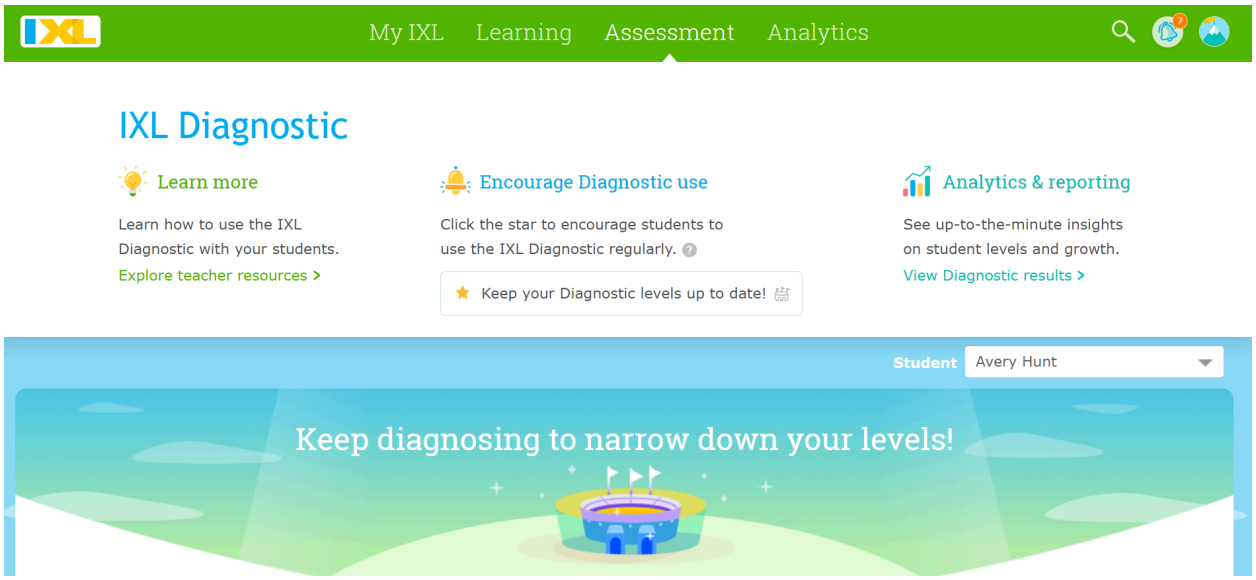
Math summer work:

6th Grade:

May 25-29th: Complete IXL Diagnostic

When completing the diagnostic you CANNOT use your phone. It must be done on a laptop.

Instructions:



Across the top you need to click the assessment tab, then scroll down until you see the button “step into the arena” click the button and choose math only.

Starting June 1st: 20 minutes of IXL each week *it must be a recommended skill from the diagnostic area, 5th grade and up skills.* (10 weeks - 10 points per week - 100 points in total for the summer)
Week of July 1st: Must complete IXL diagnostic **and** 20 minutes of a recommended skill
